## About CHIOMA

With over a decade of professional experience, in media, event hosting, and public speaking, I have had the pleasure of working with top brands such as NIVEA, Radisson Blu Hotel VI, Silverbird TV, TV Continental, Lagos Continental Hotel, PWAN, BRIPAN, Eventful and many more. I have also enjoyed the privilege of hosting prestigious events like Mr. Nigeria Pageant, MBGN (Most Beautiful Girl in Nigeria pageant), Maggi family kitchen tv show, WIMBIZ 20th anniversary ball, BRIPAN Annual Conference, APPOEMN Award Night, DJ Asso. award night, Inspire Concert and many more.

My background in broadcasting gives me an edge that many modern public speakers lack—a deep understanding of audience dynamics, professional engagement, and the art of connecting across different settings.

My unique ability to seamlessly switch between formal corporate settings and informal, high-energy events sets me apart. Most speakers struggle with this balance, but for me, it's second nature.

I bring a blend of charisma, professionalism, and versatility to every stage, ensuring that every event runs smoothly and every speech resonates.

Whether you're looking for an engaging MC to host your event or a dynamic public speaker to inspire your audience, I bring that energy, and professionalism that makes a lasting impact.
